Dr. James Halle
Assistant Superintendent of Schools

The Board of Education is the group of people that assumes the responsibility for the educational growth of the students in the city of Santa Ana. They give hundreds of hours each year toward the

improvement of education for us all. We are grateful for the time they take from their own positions in life to afford us the opportunity of an education.

English And

Truman Risa
English Department Chairman
ARIEL Co-ordinator

In conjunction with the standard curriculum, English 3-4, 5-6, and 7-8, the English Department offers related courses such as English Literature, Creative Writing, Journalism, Speech, and Drama.

The Creative Writing class, while learning different techniques of writing, had the interesting experience of publishing **Leaves in the Wind**, our literary magazine.

The Journalism Department published the award winning **GENERATOR**, thus providing the working students with an excellent opportunity to understand the workings of a newspaper.

Two outstanding productions, **"The Curious Savage"** and **"Brigadoon"**, resulted in a busy Drama Department, directed by Mrs. Carol Buss. In addition, two new programs, ESL—English as a Second Language, and reading, were initiated.

John F. Kennedy once said, "Of those to whom much is given, much is required." I have been given much, having been elected Associated Student Body President of SAHS for the fall semester, and, with the assistance of the Board of Control, have tried my best to meet the standards set by those whom I represent. I would like to thank the entire student body for the honor given to me and to acknowledge the cooperation of Mr. Colwell and Mr. Black.

The BOC started its work early, last summer, working out the numerous details concerning the initiation of a long-awaited tradition — after 81 graduating classes — Homecoming. The week featured various events — GAA-Varsity Basketball game, pie-throwing auction, tricycle race, and, showing proof that their competition yell conquests were no accidents, the Junior class again showed their "Mouth Power" in the cake-eating contest. The week was crowned with the Homecoming assembly in which guests from the classes of '67 and '68 were welcomed back to SAHS.

Another new experience this year was the student seminar in which all types of students involved themselves with each other and some of the problems characteristic of today. Countless other events have made the past semester both interesting and exciting.

I wish to again thank the student body for the responsibility and trust given to me as a representative of Santa Ana High School.

Bob Wright

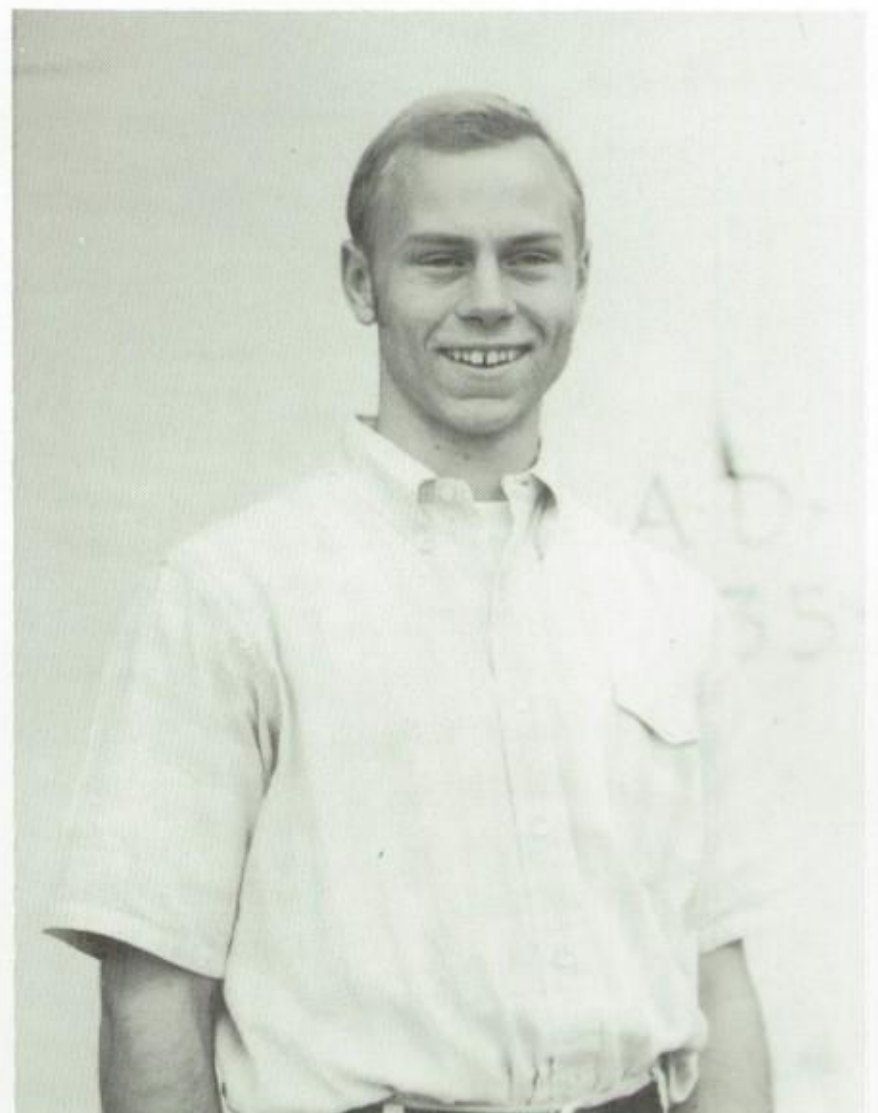

The many valuable experiences that I have had during my tenure as second semester Student Body President at Santa Ana High have made the job one of my most worthwhile endeavors.

Much was accomplished during the second semester and much was not. The fabulous talent show, Spirit Week, Leah Day, the constitutional amendments, and the student body's efforts in sandbagging the Santiago Creek during the storm season were some of the more memorable events. Throughout the semester the co-operation of the student body proved instrumental in the successful delegation of student government's powers.

I've had the privilege of acting as "ringmaster" for one of the most vociferous Board of Controls in the school's history. Their eagerness to work made it easy to tend to the matters of state and I want to thank them for their efforts. I would also like to extend special thanks to our advisor, Mr. Black, who proved to me how patient a person can be.

Those students who feel that student government is a farce should take time to inspect it more closely. I feel that the second semester helped to prove that student government can be beneficial to all concerned.

Boys State

Boys' State is a program sponsored completely by the American Legion in each state.

A boy, who has demonstrated leadership and good citizenship qualities, is chosen from each high school in the state to attend a summer camp in the capitol, for one week following his junior year.

When the group of about 850 boys arrive, they are divided into 21 "cities" of 40 boys each. From that point on each boy is instructed in the principals and processes of city, county, and state government. The citizens of Boys' State then aspire to be elected to various political offices, all the way from city clerk to state governor, following the procedure prescribed by law. Once the "state" legislature is elected, they go through the process of drawing up resolutions, which the Boys' State governor later can personally hand over to the official state governor.

All in all, this program is a very worthwhile activity which has brought me a better understanding of the process of government and I believe the American Legion should be highly commended for the time, effort, and money expended by its members.

Steven Schultz

Girls State

Learning through doing is the basic theme of California Girls' State, sponsored each summer by the American Legion Auxiliary. During their eight-day stay at the University of California, Davis Campus last June, the 540 Girls' State delegates set up their own model government at the city, county, and state levels. The girls campaigned, held elections, and legislated, following California laws.

During the week, the girls attended lectures during the day and met for Friendship Hour each night. Although the activity schedule was strict, the girls had plenty of time to meet and talk together. Highlights of the week included a visit to the campus by Governor Reagan and a tour of the capitol at Sacramento.

Saint Tours Europe During Junior Year

By GINGER LANDAU

Sleeping in chalets, skiing all afternoon, touring Greece, Paris, London, Holland, and Belgium added the itinerary of Linda Komis, senior, who returned to Santa Ana High after an "exciting" junior year in Switzerland. Linda attended a private school, Montesano Institution, which is located in Gstaad, Switzerland. The all-girl high school contained one hundred students, about ninety of which were Americans, according to Linda. "I was a little disappointed at first since I had expected to meet girls from all over Europe, but it was a relief that everyone spoke English," explained Linda. With one year background in German and none in French, Linda was enrolled in both languages as well as English, algebra 2, chemistry, and PE. which amounted to two hours of skiing).

English was taught by a very proper British teacher and included studies of Chaucer and old English. "The method of teach-

New Musical Selected; Auditions Begin Soon

Brigadoon a comical arrangement by Lerner and Lowe has been selected for this year's annual musical production.

"Brigadoon is the type of play I think Santa Ana High has been waiting for," stated Mrs. Carol Buss, drama director, "with a lot of hard work I believe it will be a lot better than 'The Music Man'."

Two boys, Jeff and Tom, found themselves in a town which is located on the map. They learned from Mr. Lundie, the local doctor, that a spell has been cast upon the city and every hundred years Brigadoon comes alive one day. The doctor explained that anyone who leaves the town will break the spell and any visitor who falls in love may stay.

The Nelson Family — Marisa, Diana, Mr. Nelson, and Mrs. Nelson.

The Edwards Family — Joan, Mrs. Edwards, Doris, Dr. Edwards, and Janet.

Dear Saints,

My year in America is almost over now, but it seems to me that I have been here only a short time. These months have been exciting, full of joy and a feeling of friendship for all the people around me. The experience of being an A.F.S. student is a wonderful one and rewarding; the best I ever had.

To come to America had been a dream for me since I was a child, but I could never have come if A.F.S. hadn't given me the opportunity.

I could have never imagined that I would feel just like at home in another family, but it is easy with Mom, Dad, and my sister Diana. Now I feel like I had known them for a long time and I am already looking forward to their coming to see me in Italy.

The first days at school I felt lost with so many people, but quite soon I got involved in many school activities and began to appreciate the football games and the band performing during the halftime.

I am not able to thank everybody for everything that has been done for me, but when I will be back in Italy I will do my best to get more people to know about A.F.S.

Love to all,

Marisa

Hi Saints,

I really had a good time this year at your school! I have only good memories to take home. I just loved those football games, especially when the Saints are playing!

In the schools in Switzerland we don't have any sports, teams or clubs; and our schools are not coeducational, so you can imagine how much I have enjoyed this year at Santa Ana High! It's going to be so hard to leave all my friends, the school, Santa Ana, and California. I just wish that it never would be June 1969, so I wouldn't have to leave!

At the beginning many things were a little different from home, but I soon became used to the life here, and it seems as if I have spent my whole life here. You sure are great people living in a great country with great customs.

Whenever you come to Switzerland be sure to come see me!

Love to you all,

Doris

Americans Abroad

Dear Saints,

The most outstanding experience of my life began when I was told that I would spend a summer with a family in the Philippines. June 1, I received my papers from New York telling me about the family with whom I would live for the coming summer.

My new family consisted of nine children, my parents and grandparents all living in the same home! My oldest brother had just been married and I "took over" his bedroom. Jaime, 21, Augusto, 13, and Saldi, 11, were my other new brothers. I also had three sisters; Naggie, 22, Pacita, 19, and Det, 17. I quickly grew fond of my new family and I will always feel close to them.

Friends and family taught me their way of life. Excursions to neighboring towns, planting rice, serenading, and participating in many religious processions gave me knowledge of the honor and traditions of the Philippines.

I will always treasure the friendly, hospitable ways of these people with hopes of maybe returning to visit all of those who made my A.F.S. experience a happy one.

Dan

Jody Root, Americans Abroad Semi-finalist; Laurel Sauser, Americans Abroad Finalist.

Dear Saints,

Everyone in Santa Ana must be thinking about summer right now, but down in New Zealand, it is only fall — by August we will be in the "dead of winter." Spring comes in October, summer in December, and then in January 1970, I will be home.

The news that I was to be an exchange student to New Zealand came during Christmas Vacation on Jan. 2. Two weeks of collecting clothes, pictures and pass-ports followed until I left Los Angeles International Airport at 3:15 P.M. on Jan. 17. From L. A., I flew to San Francisco, where other A.F.S. students were gathering, and had orientation meetings all day Saturday, Jan. 18. At 8:00 P.M. on Jan. 18, all A.F.S. students bound for New Zealand left San Francisco. After making one stop in the Fiji Islands, our plane landed in Auckland, New Zealand on Jan. 20, where I was met at the airport by my new family.

I am living with Dad and "Mum", Mr. and Mrs. George Wall; my sister, Margaret; and my brother, Arthur. While in New Zealand I attend Pakuranga College, where all students wear uniforms (girls, skirts and blazers; boys, short pants and a cap).

Being an exchange student is one of the most fantastic experiences that anyone can have. People in your adopted country go out of their way to help you and make you feel at home. New Zealand has got to be, at least I think so, one of the most beautiful places in the world, and I hope to be able to tell everyone back in S. A. about it when I return.

See everyone soon,

Love,

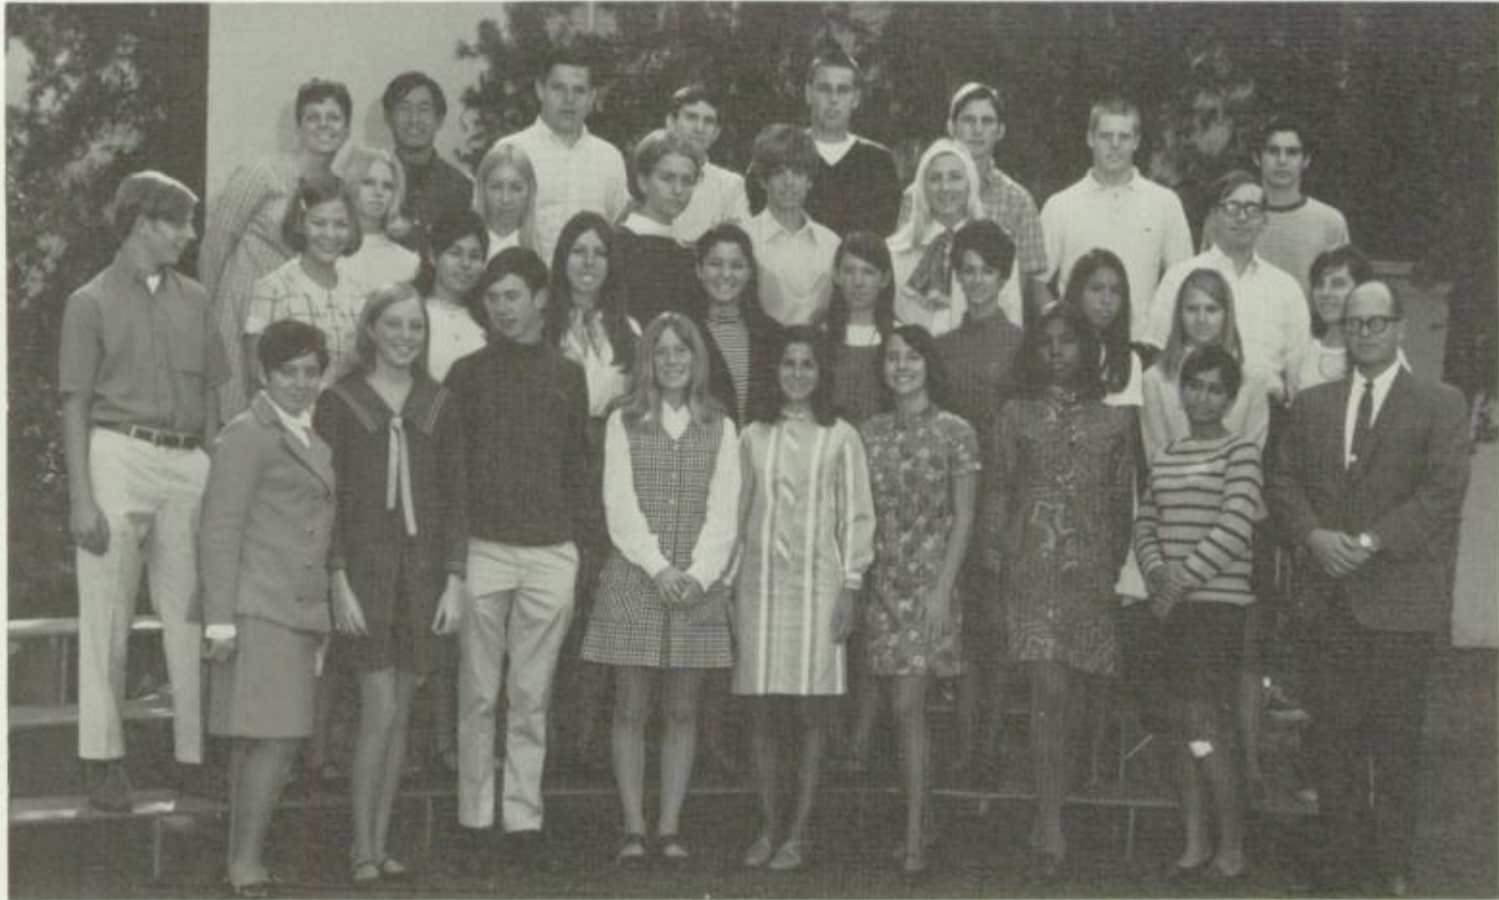

Laurel

Dan Young, Americans Abroad Finalist.

One point for our side!

Here goes nothing . . .

Intense concentration.

Honor Society

The Honor Society includes those top students receiving a minimum of three academic A's at the semester. The group, advised by Miss Graham, held a banquet in March, honoring the CSF Sealbearers. Also in March they attended a conference at UCI highlighted by a speech given by Ray Bradbury. In May the society made its annual excursion to the movies. President for the fall semester was the stalwart Randy Howard; and during the spring semester the group was led by the undaunted Sandra Young.

Perched in the tree, but definitely not bird-brained are the CSF Sealbearers, those students who were members of the Honor Society each semester of their high school career. The AFS club is part of an international organization which maintains a two-way program of seeing and showing. In this way, young people all over the world learn to respect the similarities and differences of people living in different parts of the world. This year, SAHS hosted two AFS students: Doris Huber from Switzerland and Marisa Paoletti from Italy. Dan Young, this year's president, spent last summer in the Phillipines and Laurel Sauser is spending the year in New Zealand. The Club's advisor has been Mrs. Corser.

Ariel Co-ordinator

The Kaliedoscopic theme of the 1969 **Ariel** has attempted to reflect the many facets of school life. All members of each staff have contributed their time to help make this yearbook a success.

Editor Sharon Reese has certainly had generous help from the co-editors, Jody Root and Frances Dennis, in organizing and putting together the book.

Catching school life in action was Gwen Gutierrez and her photography staff. An imaginative art staff, under Jeff Moore, illustrated the theme beautifully, while helping to finance all this was the industrious business staff under Steve Schultz .

A disappointing 6-3 season record and a third place finish in the Sunset League proved to be the result of what many had expected to be a CIF Championship year. The main highlight of the year came when Isaac Curtis was selected as an All American in addition to earning All-CIF honors for

the second year in a row. Curtis also won the Saint-of-the-year and Most Valuable trophies at the Annual Football Banquet. Other trophies went to Jim Pierson, Most Improved; Dave Marinez; Best Sophomore, Monty Floyd; and Randy Howard, W. B. Moss Trophy.

Tri-Captains Pat MacCaffree, Gary Woodsmall, Coach Baldwin, and Chris Patton.

Football Recaps

SANTA ANA 31

MATER DEI 13

Playing one of their best games of the season, the Saints used the running of Isaac Curtis to destroy Mater Dei before a crowd of 10,000. A Number-One ranking in the CIF was the Saints reward for the victory.

SANTA ANA 12

COMPTON 0

Traveling to Compton, the Saints met a fired-up Tarbabe Squad, but managed a perfect defensive game, including two goal-line stands, for a hard-earned 12-0 victory.

SANTA ANA 14

HUNTINGTON BEACH 7

Returning to the Bowl the Saints met the highly under-rated Oilers. Putting up a supreme effort, the Oilers had the game tied until, with only 49 seconds left, Gary Woodsmall threw 55 yards to Panesi Afualo for the winning score.

SANTA ANA 7

WESTERN 14

An early score by Western gave the Pioneers impetus as they stopped the Saints again and again. A fourth quarter rally proved too late as the Saints could only score once.

SANTA ANA 3

ANAHEIM 6

Before a crowd of 11,000 at La Palma the Saints tried to beat a 22-year jinx. A 75-yard TD run by Curtis which was called back and two fumbles inside the ten proved to be the Saints' downfall in the 6-3 loss.

SANTA ANA 34

NEWPORT HARBOR 14

Returning to the Bowl, Santa Ana met the Undefeated Tars and dealt them a 34-14 setback with a balanced running game and excellent defense.

SANTA ANA 0

WESTMINSTER 21

The next foe was Westminster in the First Homecoming. A tough defensive match prevailed the first half, but the Lions' balance and strength gave them a 21-0 win in the second half.

SANTA ANA 40

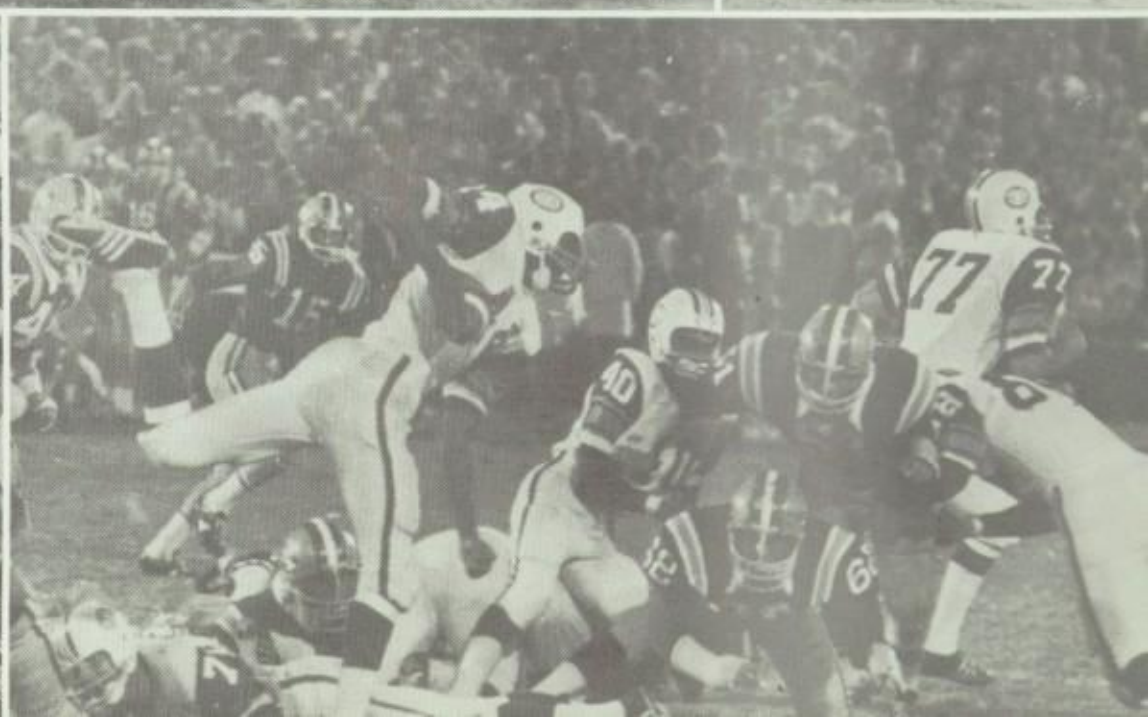

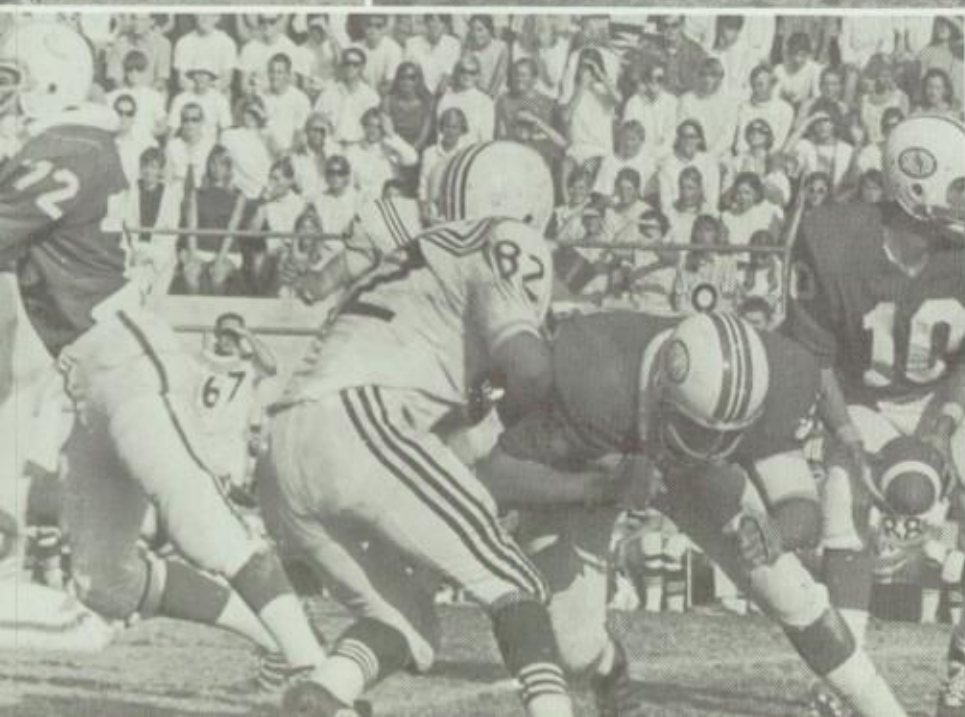

MARINA 35

Poor officiating almost enabled Marina to beat the Saints, but Santa Ana put its best offensive game together as Isaac Curtis rolled up over 200 yards and five touchdowns in the Saints' 40-point outburst.

SANTA ANA 27

VALLEY 0

It was the last time for the Saint-Falcon clash, and Santa Ana took home the victory behind the running of Jackie White and Monty Floyd. A 0-0 half-time score turned into a 27 point rout the second half as Santa Ana made off with the Saintly-Falcon trophy.

After a slow start the Saint JV's rolled to a 6-3 season and a first place league finish. Coach Penaflo cited quarterback Bob McGuckin, end Bob Reyes and Roger Greer for good offensive play. Paul Rice, Ernest Norton, Joe Garza and Dave Kuchera earned plaudits on the line. Defensively standouts were Jerry Kuno, Rudy Luna, Jeff Files, and Phil Oviedo. The JV's are for boys too big for B's and not good enough to start on Varsity.

Although not as successful in past years, the 1968 Bees were still a power in the Sunset League. They were 6-3 on the season and 4-3 in Sunset League play. The 4-3 record was good for third place. Highlights of the year included a 26-0 victory over Mater Dei in the season opener, a 22-20 come-from-behind win over Anaheim, and a 19-0 victory over Valley in knee-deep mud.

Standouts for the Bees this year included Gary

Brown at Quarterback, tailback Jim Otsuka, ends Dan Lindsay and Ray Robinson and linebacker Mike Duncan.

At the Annual Football Awards Banquet held at Santa Ana College Jim Otsuka walked away with the "Most Valuable Bee Player" award and Ray Robinson won the "Most Inspirational" award. Otsuka and Robinson, along with Gary Brown, were the Bee Captains for this season.

The Cee's 5-3-1 season record is misleading, as they chalked up a 5-1-1 league record, which put them into second place. Western was the Saint's only league defeat, while the tie came in a thrill-packed 12-12 decision against the Anaheim Colonists. "It turned out to be a pretty successful season," stated Cee Coach Ed Cocco, "It showed real

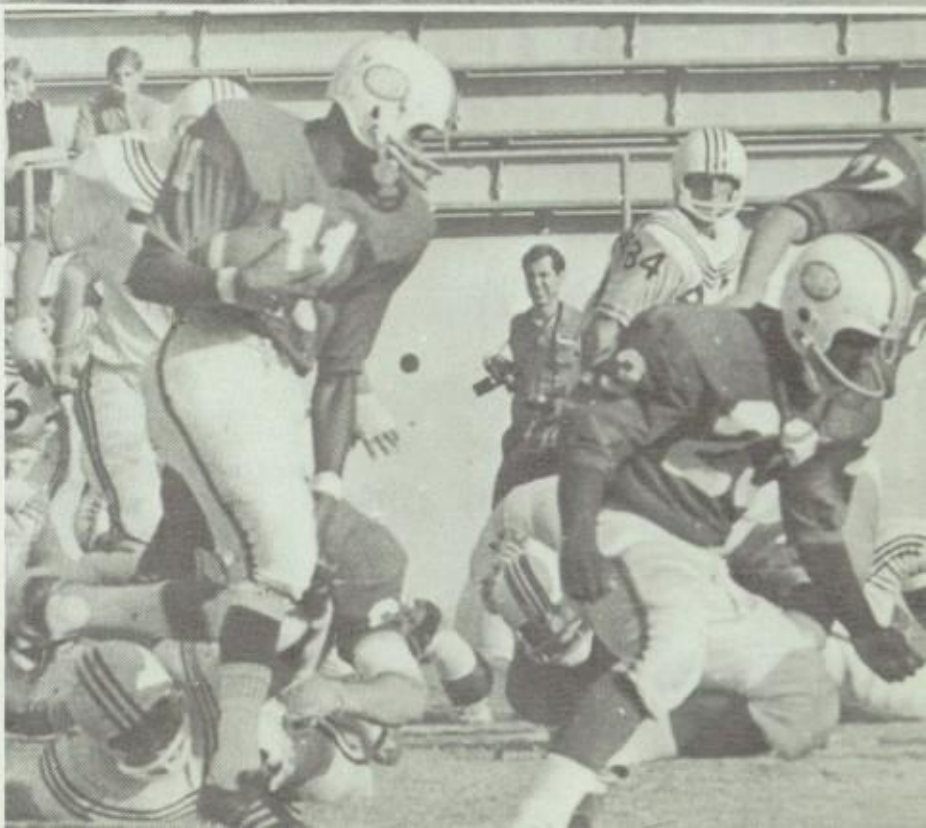

spirit and toughness to lose the first three out of four games and then come back to play five straight games without a loss and finish second." At the Annual Football Awards Banquet John Brennan won the Most Valuable Player Trophy while Gary Bond received the Most Inspirational Player Trophy.

Varsity Basketball

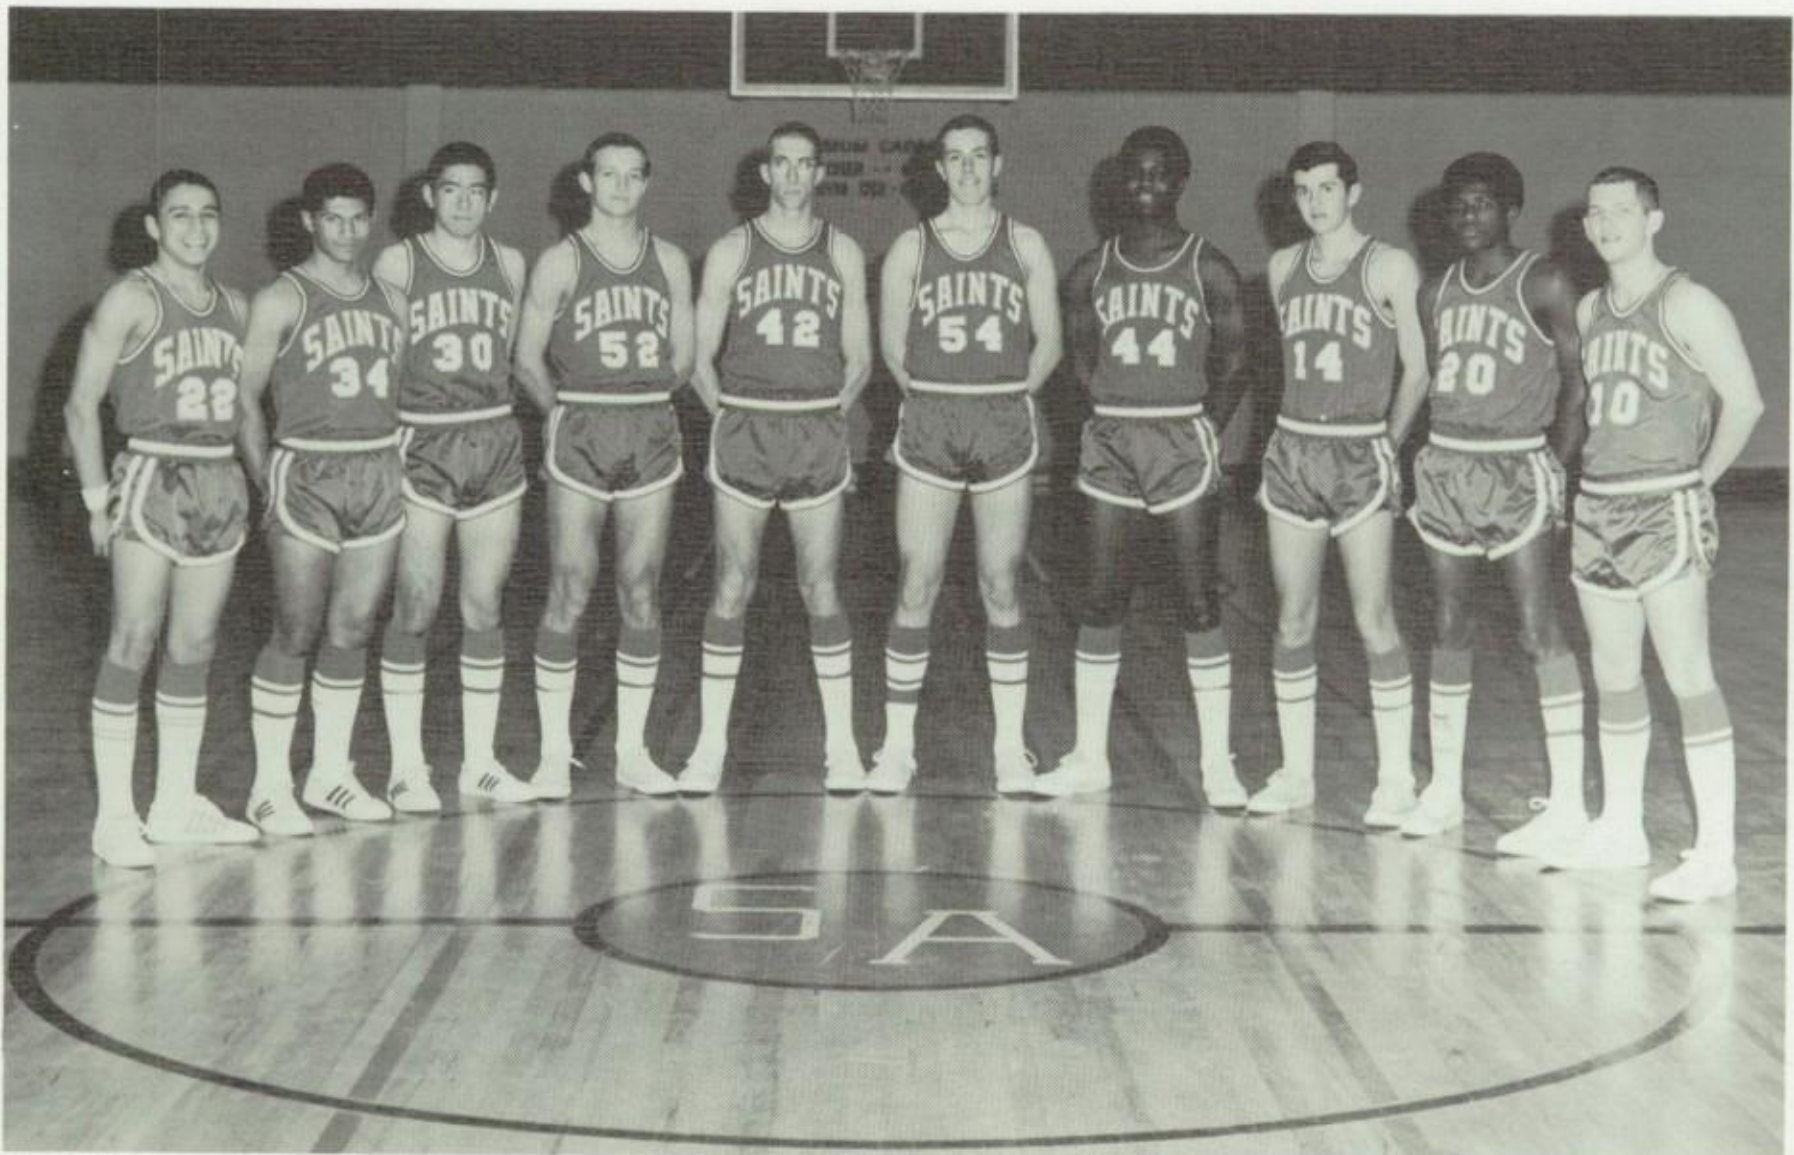

The Varsity cagers had another disappointing season although they did escape the Sunset league cellar with a thrilling win over Valley in the season finale. This season was marked with the arrival of Coach Neil Reed, who brought with him great knowledge of the game and great enthusiasm. Seniors Malcom Curtis, Gary Lara and Junior Chris May stood out for their consistently good play. The team's Sunset League record was 3-11 while they had an 8-16 record overall.

The outlook for next year is bright with May returning and the JV team coming up after a successful season. Coach Reed is excited about the prospect of a winning team next year.

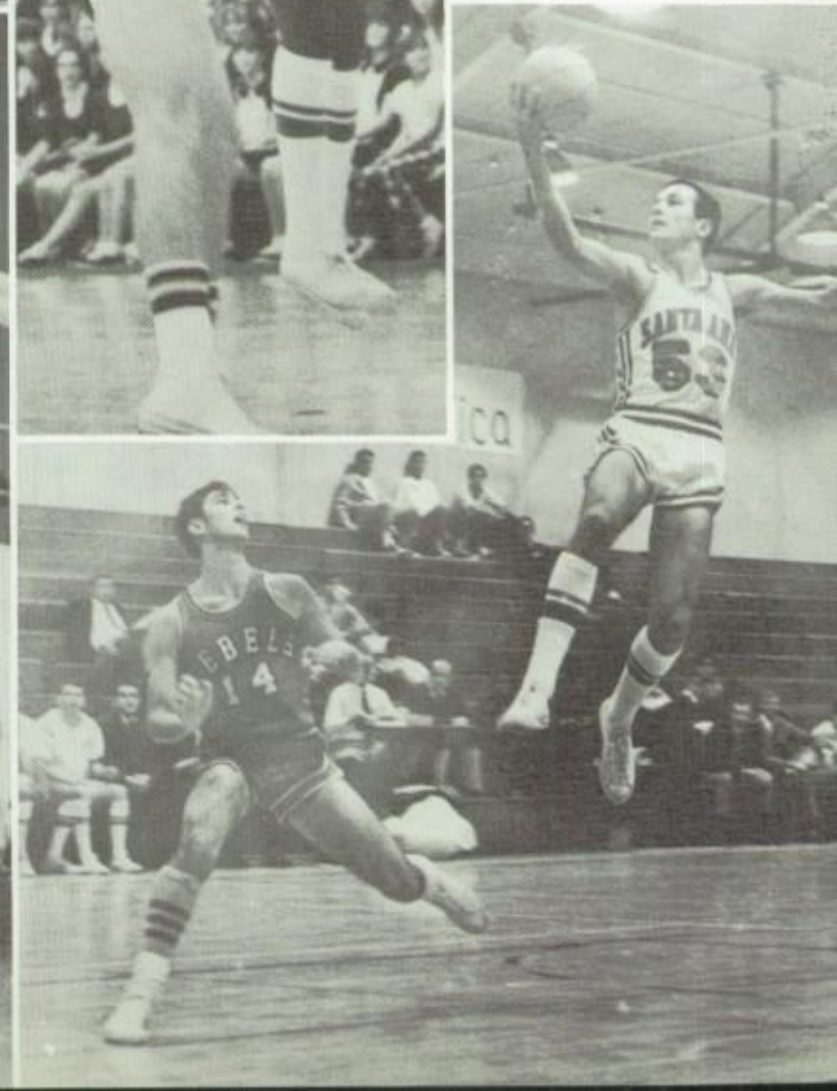

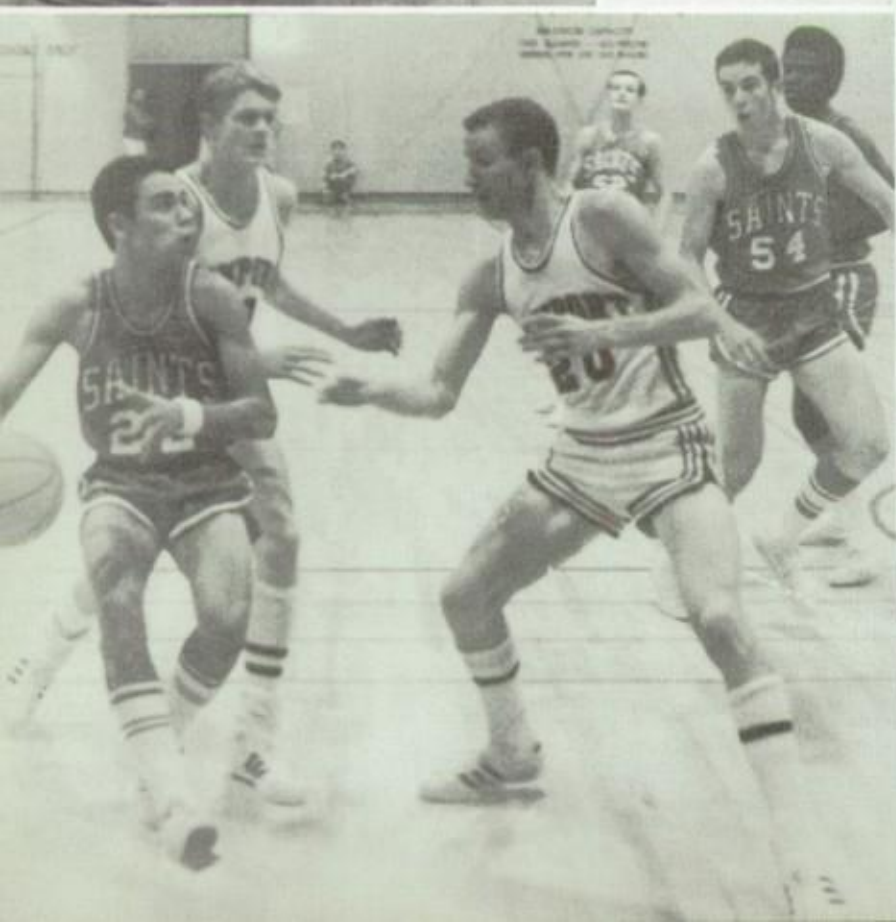

Gary Lara was named Most Valuable Player at the Annual Awards Banquet with Kevin Steele, Jim Galbert and Chris May winning Most Improved, Most Inspirational and Free Throw Award, respectively.

The Junior Varsity team had an outstanding season. Coach George William's team placed second in the Sunset League with a 10-4 record. They also took first place in the Santa Ana Optimist JV tournament held in the Santa Ana gym. The Saints were 21-5 for the season. The team played very well at the end of the season running roughshod over their opponents.

The outlook for next season is very bright with most of the boys returning to play Varsity ball. Billy Williams was named Most Valuable Player. Ted Hoover was awarded Most Inspirational while David Kuchera was named Most Improved.

Both the Varsity and Junior Varsity wrestling squads chalked up 0-7 league records. Wayne McMullen finished the league with a fine 9-2 record and reached the CIF finals. Junior Mike Baggot had a 10-5-3 record. "Captain Rockie Herrera wrestled well for us, with a 9-2 record at the time of his injury," stated Coach Manuel Penaflor. Lloyd Peckham, Jim Andos and Charley Bacon were named as sophomores with excellent promise.

Led by track All-American Isaac Curtis, the Saint Spikers were expected to race off with another Sunset League Championship. "Barring a rash of injuries to our key personnel, I think we should take the Sunset Title and do well in CIF competition," observed Coach Earl Engman, "Our main strength is in the sprints, and I think with Curtis, Jackie White, Jim Davis and John Winstead in good health our 440- Relay team could set a national record." Engman named John Anderson in the pole vault, Mark Foreman, Alan Witcher, Frank Alvarado and Bob Bascom in the distances, and Brian Van Patton in the half mile for good performances. "I also think that we have two sophomores with great ability in Dan Lindsay and Monte Floyd," praised Engman.

Varsity Baseball

Captain Tim Sepulveda

Santa Ana's Varsity Baseball Squad was conceded to have an excellent chance to "Take it all" this year. With standout Phil McCowen pitching his share of shut-out ball and Craig Park and Jerry Wyrick rounding out the pitching staff with consistent performances, Coach Bill Ross was hoping to be at the top of the Sunset League Standings. "We have a better fielding club this year than we had last year," he stated, "And if our pitching and hitting can stay consistent the whole year, we have an excellent chance to be fighting for the Sunset Championship with Valley, Anaheim, and Westminster." Returning Lettermen Gary Woodsmall, Larry Brumsey, Jeff Evans, Panesi Afualo, and the team captain, Tim Sepulveda, were also expected to play a big part in the Saints' bid for the Sunset League Pennant.

The Saint Varsity Water Poloists ended the last year of water polo at Santa Ana with a 5-9 overall record and a 1-7 league record. Coach Dale Ghree cited co-captains Jeff Grosse and Jamie Gonzales for outstanding play. Because of the lack of a pool on the Saint campus, interest in the past few years has lagged, and for this reason the water polo and swimming program will be dropped next year.

"Santa Ana has had its moments of glory in the swimming program," stated Ghree, "We've turned out some outstanding athletes and played many memorable and exciting games. I'm just sorry to see it end, especially like this."

Varsity Swimming

The Swimming Team was hampered by the same problems as the Water Polo team. Without a pool on the Saint campus, student interest lagged and the program was not as effective as in past years. "We have fine individual talent on the team," stated Coach Dale Ghere, "And these boys can hold their own against any team in the CIF. Our problem is that we can't get the boys out who would give us the needed depth by taking the second and third places essential for victory." The Swimmers opened their league season with a 63-18 upset victory over Huntington Beach, but without enough boys out chances for a winning season were slim. "I'm real proud of the boys," continued Ghere, "They have worked very hard to accomplish their goals. I just wish that we could have a pool here and strong student interest. Then we could have an excellent swimming program."

Coach Neil Machander greeted a flock of returning lettermen for his campaign to win back the Sunset Crown from the defending champs, Newport Harbor. Prior to Newport's entrance into the league last year the Saint netmen had won the last six Sunset titles in a row. Among the Senior Lettermen whom Machander welcomed were Phil Dunn, Bruce Foster, Gary Young, Pete Geddes and Dave Cosby. Among the juniors were Jim Schilling and Mark Sidor. Santa Ana's hopes for a league title were dealt a blow by the sustained illness of Kevin Steele, who was expected to be the Saints' "Big Gun" this year. However the development of Steve Schultz and Brian Young helped to "fill Steele's shoes" while he was absent.

Varsity Cross Country

Paced by the outstanding performances of Bob Bascom, Mark Foreman and Alan Witcher, the Varsity earned second place in the Sunset League and finished seventh in the CIF Semi-Finals. It marked the highest league finish ever for a Saint Cross Country team. The Saints dual meet record was 9-3 on the season and 6-2 in league. "I see chances for an equal showing next year if David Rameriz, Omar Barrera and Raul Pendroza can run to their potential," stated Cross Country Coach Larry Arason.

Captains Bob Bascom, Coach Arason, Mark Foreman, Alan Witcher.

Varsity Golf

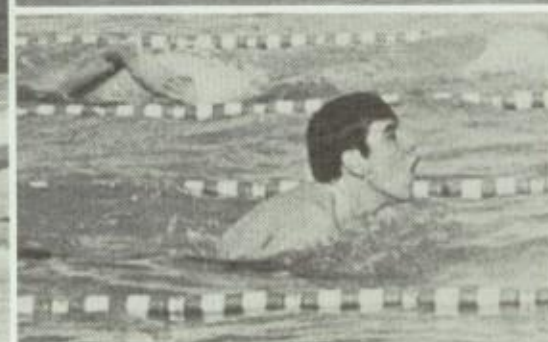

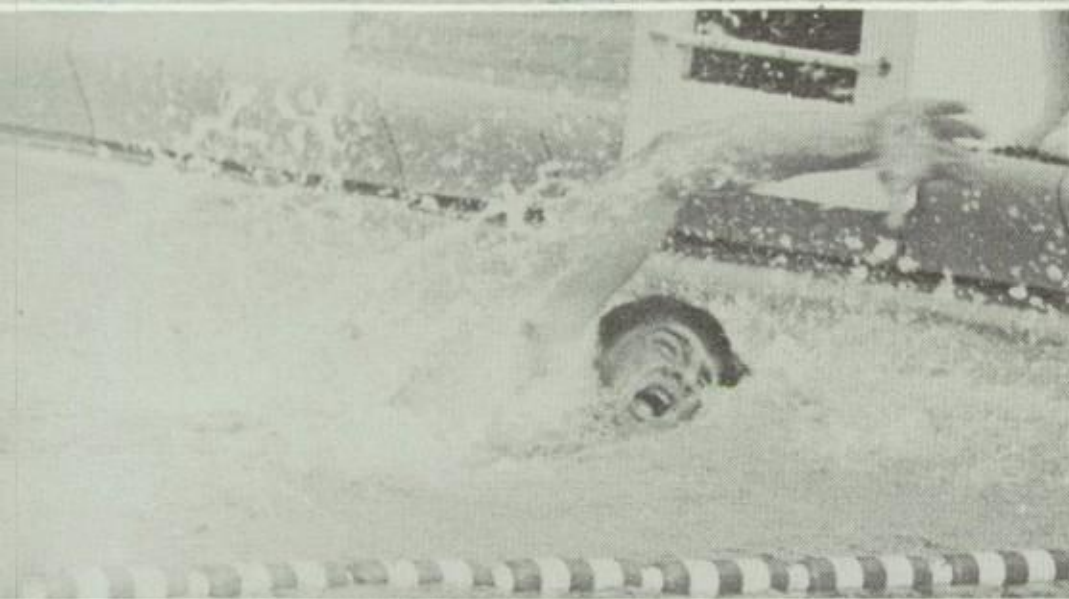

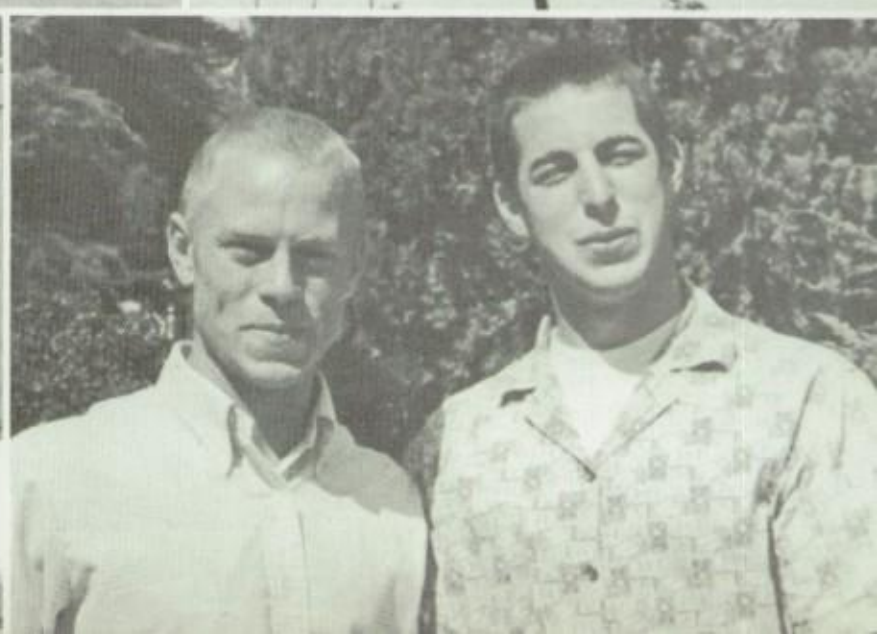

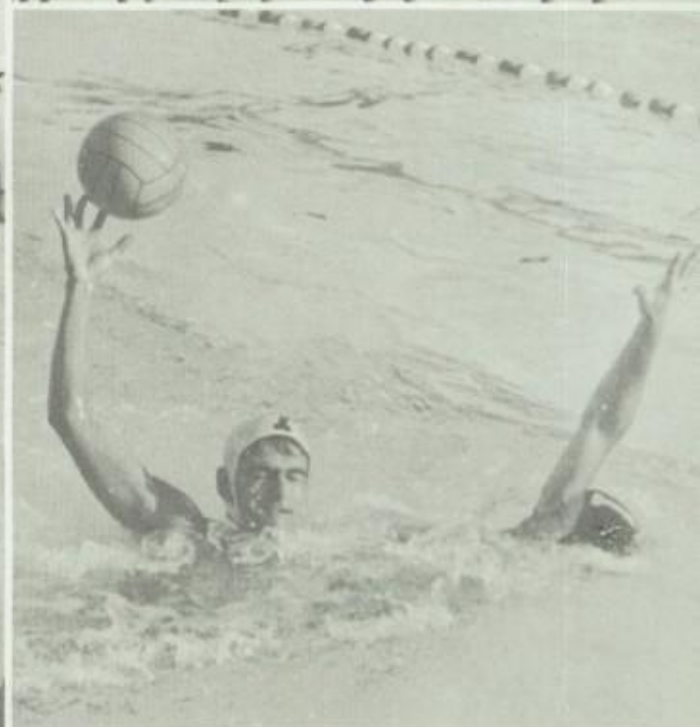

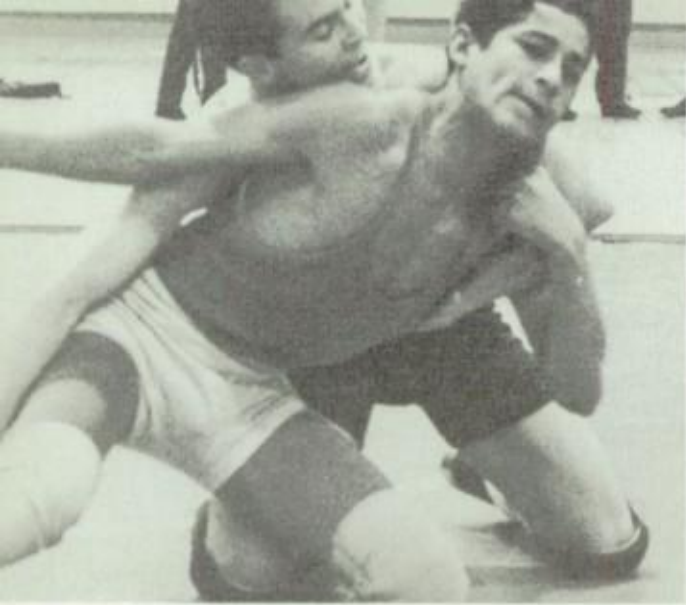

KNEELING FROM LEFT: R. Leonard, R. Cella, C. Clufft, J. Root. **STANDING:** E. Triplett, S. Smith, S. Ainslie, D. Karos.

Santa Ana's Golf team fought it out for third place this year with Newport Harbor. Westminster, always a Sunset league power, and Huntington Beach battled for first place. Heading the Saint golfers this year were seniors Steve Smith, Dave Karos and Mike Bryant. Coach Gordon MacKenzie stated that the team had no outstanding players. In an early match the Saints were downed by Lakewood 27-9.

With most of the boys graduating this year Coach MacKenzie felt the outlook for next year was dim. Joe Root and Rande Leonard will be the only returning lettermen.
